Class History

It was back in the year 1942, when seven little tots bravely walked into the Homer Schoolhouse. Mrs. Max Hisey (nee Lola Kiplinger) greeted each one by name. Patricia Lenz, Shirley Smith, Jeanette Finley, Vilma Johnston, Shirley Wilson, Darwin Smith, and last but not least, Philip Howe came toddling in. He is the only one who has kept toddling along in this one particular school for twelve years.

The second year was getting a little better. Some of the children were getting up enough nerve to make faces at the teacher.

In the third grade we added Bob Slarb from Elyria, and Shirley Middour from Akron. We had a new teacher, Mrs. Charles Hockensmith (nee Myrtle Hastings) who decided to try her luck at teaching the pupils.

The fourth grade was the same except that Nancy Longsdorf from LeRoy was added to the class.

The fifth grade was honored with a new teacher, Mrs. Delcamp. That year they were all very ambitious and they bought a radio for their room.

In the sixth grade we added Frances Majce and Wade Brooks from Cleveland.

In the seventh grade we added Jim Shadley, Jim Conwell, Geraldine Frank, Fredaline Frank, and Ethel Weaver all from Albion. Mrs. Bert Zimmerman (nee Olga Pidzyraylo) was our advisor.

During the eighth grade we were all little angels because we wanted to be accepted into the high school the next year. Shirley Smith left us to go to Wellington, Nancy Longsdorf went to Nova, and Ethel Weaver to West Salem. Mrs. Sara Starr was our advisor.

The ninth grade started off with a week of Freshman initiation, after which we were welcome to come to all the high school parties, etc. Wade, Philip, and Bob were on the basketball squad while Geraldine and Fredaline were majorettes. Frances Sexton and Ed Brazis entered our class but at the end of the year Pat Lenz left to finish at Delaware, Ohio. Mr. Lenz was our advisor.

The tenth grade had two newcomers, Gloria Jeffery from West Salem and Eddie Kopylchak from Pennsylvania. Geraldine and Fredaline were chosen first team cheerleaders. Geraldine received honorable mention in the county cheerleading contest. Shirley won the local and county poetry reading contest which enabled her to go to the state where she rated excellent. Wade and Philip were on the basketball and baseball squads. Frances, Shirley, and Gloria took the District-State Scholarship Tests. At the end of that year Jim Shadley left to go to Northwestern, Jim Conwell to Ashland, and Frances Sexton to Sullivan. Mr. Workman was our faithful advisor that year.

The Junior year started off with a Halloween party at Mrs. Hines. Frances won the local Prince of Peace contest. Shirley won the local poetry reading contest. Geraldine and Fredaline were first team cheerleaders. Gloria was timekeeper. Wade and Philip played basketball and Wade played baseball. Bob took the District-State Scholarship Test that year. The Junior-Senior Banquet was held at How Toy in Ashland. Geraldine attended the Y-Teen Conference in June of that year. Frances attended Girls' State. Mrs. Hines was our advisor. Philip attended Boys' State.

History (cont.)

The Senior year started off with ten pupils---five boys and five girls. We had a talent scout show in September. Wade played basketball and baseball. Geraldine was chosen varsity cheerleader. Gloria was scorekeeper. Almost everyone in the class was in mixed chorus this year. Frances took the annual Ohio History Test at Ohio University. We gave our class play, "Professor! How Could You?", November 27 and December 5. Gloria was Valedictorian and Frances was Salutatorian. Gloria placed second and Philip first in the American Legion Essay Contest for the Lodi, LeRoy, and Homer division. Mr. Brewer was our advisor.

Class Prophecy

May 21, 1964

Dear Friends,

I have just returned from my vacation. It has been about ten years since I have seen any of my classmates. So I decided last winter to go on a tour of the United States and look up some of my classmates. The first classmate was Frances Majce, who in spite of herself is owner and top model of "Fay's Model Gallery" in the heart of New York City.

The next stop was Washington, D. C. where I ran into Robert Slarb who was Presiding Judge of the Supreme Court of the United States. The next place was Ed Brazis', County Road No. 26 Ranch with his thousand head of cattle and his huge fleet of Chevrolet Ranch Wagons.

Across the land to Iowa, we stopped at The Bar H Ranch where Philip Howe Pro. Esq. runs a large hog farm. The next place was Geraldine's home. Upon stepping out of the car I was amazed to see thirteen children running out to greet me. They took me to their ten-acre lot, where they play. After a journey, we stopped at Fredaline's. She lives in Beverly Hills with twin sons and daughters.

While going through San Diego, California, I saw a large display of lights on a theater. In the spotlight was a sign. On the sign was a picture and the words, "The Fabulous Gloria Lee Jeffery, Piano Soloist". While touring the Alaskan waters I ran across a trapper who told me that Eddie Kopylchak owned and operated the largest trading post in the Northwest.

On the way home, I stopped at the University of Wisconsin where I finally located Shirley Middour, Dean of Women at the University.

At last the journey is over and I will be glad to get back to my big easy chair in my office taking care of my investments in the Supersonic Revolution.

Sincerely yours,

Wade Brooks

Class Will

I, Frances Majce, will my ability to get my workbook done so everyone can copy from it to Joann Bigelow.
I, Shirley Middour, will my ability to keep my mouth shut to Sally Delcamp.
I, Geraldine Frank, will my ability to be engaged before I'm out of school to Norman Massie.
I, Fredaline Frank, will my ability to drive like Lucky Lott, the Hell Driver to Dale Weimer.
I, Gloria Jeffery, will my height to Lynn Grissinger who eats banana splits to grow tall.
I, Philip Howe, will my extra sleep to Darrel Fenstermaker.
I, Ed Brazis, will my love for Mr. Kozlowski to Bob Norris.
I, Bob Slarb, will my ability to talk back to Miss Rickett to Jim Reinhardt.
I, Eddie Kopylchak, will my ability to lose my temper to Jim Summerton.
I, Wade Brooks, will my ability to drive to Roger McFrederick who seems to have a hard time driving with girls on his lap.

Season Record

The basketball teams worked real hard this year to give us a real thriller of a basketball season. We remember those most exciting games when we either won or lost by one or two points. Although we didn't get clear to the top we came along pretty close by tying with Brunswick for second place in county league play. Out of 26 games we won 18 and lost 8. The second team also did well by winning 12 and losing 7.

At the award night of the tournament Bob Stine placed on the all-county first team by a unanimous vote of the coaches in the county. Roger McFrederick placed on the second team and Jim McFrederick and Jim Summerton received honorable mention. Geraldine Frank and Marilyn Schempp received honorable mention in the county cheerleading contest. The Junior High received a trophy for second place in the county.

Homer Belts Alumni 83-60

HOMERVILLE — Homer High school Cavaliers varsity squad dumped the school's alumni team 83-60 in the annual clash in the Homerville gym Saturday night. Fresh from a Friday night victory over Spencer, the varsity chalked up its 12th victory while carrying four losses on the record books.

Bob Stine and Jim McFredrick scored 17 points each to lead varsity scoring, while Roger McFredrick tallied 15 and Wade Brooks got 13 points. Bob Jeffery netted 19 points and John Juchum scored 16 in the alumni attack.

The alums saw a first quarter 18-17 lead disappear early in the second quarter, which period ended 43-25 for the varsity. By the three-quarter mark the youngsters led 67-40.

A faculty team defeated the reserves 64-45.

HOMER TOPS BUCKEYE

The Homer Cavaliers continued in their tie for second place in the league standings and Coach Eugene Turks was able

to spell his ironmen starting five with three replacements, Friday night as the Cavaliers spanked the Buckeye Bucks 91-62 on the Homer hardwood. The Bucks made it a battle for the first quarter and the score was all tied up at 22 each at the end of the period but from then on it was all Homer with the winners leading 43-34 at the intermission and 73-45 going into the final frame. Bob Stine, Homer center, hit the hoop for 11 field goals and 12 foul conversions to take top honors with 34 points while Summerton and Rog McFrederick counted 17 and 16, respectively, for the winners. Duane Brooks paced the losers with 22 points while Haury and Grim tied with 13 each. The Homer reserves made it a clean sweep by defeating the Buckeye juniors 47-34 in the preliminary game.

Ruggles - Troy's Hard Luck Results In Loss

The Ruggles-Troy Golden Flashes found that a miss is as good as a mile last night. The Flashes time after time had the ball curl off the edge of the hoop for them, and as a result took their eleventh defeat in 1 outings from Homerville, 53-48. The game was part of the polio benefit basketball card played at McDowell auditorium.

Ruggles netted only 15 field goals while Homerville had 23. The winners pushed in seven of 17 free throws, and Ruggles connected on 18 of 33. Both clubs missed out on seven possible points at the charity line.

Ruggles was on top most of the initial canto, but the count was tied at the period's end, 13-all. Ken Drushell sank a foul in the first minute of the second to hand the Flashes their last lead of the game at 14-13.

Substitute guard Bob Norris of Homerville then netted a fielder to put the Cavaliers in front to stay at 15-14. Their smallest margin after halftime, except for the final score, was seven points.

It was 28-21, the Cavaliers in front, at the half. After the invaders had taken a 35-23 bulge early in the third, Ruggles challenged briefly with a five-point burst. However,

Homerville offset that rally to lead 43-32 at the end of the stanza.

Ruggles played Homer even in the last stanza until Tom Hosmer caged a jump shot and Larry Foster swished a free throw to put the Flashes back in contention at 51-44 with 1:30 remaining. Two more fielders by Hosmer and Foster brought the final count to 53-48 as Homer missed six fouls in the last minute and a half.

Hosmer and Foster each caged 12 counters to lead the icy cold Flashes. Bob Stine, a tip-in and rebound artist, netted 15 to pace Homerville, while set shot ace McFrederick notched 12.

HOMER TAKES SECOND PLACE

The Homer Cavalier took undisputed possession of second place in the Medina County league standings by defeating the Red Raiders at LeRoy 63-54. The Cavaliers went out in front 14-11 at the end of the first period and never relinquished their lead, marking up other quarter margins of 30-25 and 51-37. Jim McFrederick, Homer forward, took individual scoring honors with 25 points and was ably assisted by Brother Rog who parted the nets for 12. Strawman paced the losers with 21 with Brockett also hitting for double figures with 10. The LeRoy reserves salvaged a part of the program by defeating the Homer juniors 36-27 in the preliminary game.

HOMER'S IRON MEN

Again using only the five starting players, the Homer Cavaliers continued in their tie with LeRoy for second place with a comparatively easy victory over the Barbers at Seville, Friday night. The Cavaliers stepped out to a 20-10 lead at the end of the first quarter and were never in danger, enjoying period leads of 35-22 and 45-34 and winning by a final score of 71-49. Also, probably just to show their balance, four of the five Cavaliers scored in two figures, Jim McFrederick with 20, Stine with 18, Rog McFrederick with 14 and Bisard with 13. Summerton, the other member of the quintet, hit the basket for six points. Tom Goelz led the Barbers with 18 while Chaney parted the net for 15. Homer also won the reserve game 32-28.

Top row: (Left to Right) Carl Fritzsche, Philip Howe, Bob Stine, Bert Jeffery, Mr. Brewer Bottom row: Helen Rowe, Marcia Rex, David Snoddy, Roberta Rowe, Dick Slocum, Joar. Bigelow, Fredaline Frank, Arlene Schempp

For a school project this year the Student Council purchased a Public Address System. It has 40 different channels, intercommunication, A.M. and F.M. radio, a 4-speed phonograph, and connections for a tape recorder. One not only can call people to the office from any part of the building but also can announce daily programs and activities. This system can be expanded along with the building.
